

NEWSLETTER

September 2020

over the last few months

Lightning Machining Ltd are pleased to announce that due to the increased support and orders from New and Existing Customers we have employed two new milling staff and would like to welcome Marcin and Josh to cope with the demand, so please keep those quotations and orders coming in! 😊

We have implemented lots of new procedures and plan to invest in new machinery in the coming months together with an Engineering Data Base System in the coming year to ensure our service to you is aiming to be “your number 1 choice”. This ongoing business improvement plan will enable us to grow and become one of Banbury’s leading Engineering Companies.

**You will be pleased to know that finally BT have fixed our phones!
Hooray**
